

AGENDA

CITY OF FORT COLLINS • BOARDS AND COMMISSIONS

Natural Resources Advisory Board

REGULAR MEETING – December 15, 2022

VIA Zoom: <https://fcgov.zoom.us/j/94115567733>

6:00 CALL TO ORDER / ROLL CALL

1. AGENDA REVIEW
2. COMMUNITY MEMBER PARTICIPATION
3. APPROVAL OF MINUTES – NOVEMBER
4. **NEW BUSINESS**

6:05 – 6:30 Future of Hughes

Sylvia Tatman-Burruss (Sr. Policy and Project Manager) will give an update on the engagement process so far and the feedback received through focus group conversations. Staff will also engage the board in a series of questions regarding potential future uses of the property. (*Discussion*)

6:30 – 7:10 1041 Regulations

Kirk Longstein (Senior Environmental Planner) will share what has changed in the proposed revisions to 1041 regulations since NRAB's last discussion of the topic in October.

<https://www.fcgov.com/planning/1041-regulations> Kirk can also share context on the proposed Oil & Gas amendments to City Code to be considered by City Council Dec. 20, if desired by board members. (*Action*)

7:10-7:40 Xeriscape & Soil Amendment Policies

Katie Collins (Water Conservation Specialist) will share draft recommendations for updating Fort Collins code related to xeriscape and soil amendment. This topic will be presented at the Jan. 10 City Council work session. Staff is seeking general feedback from the NRAB to inform the direction of this proposal. (*Discussion*)

7:40 – 7:50 Rights of Nature

Rights of Nature – Finalize NRAB memo to City Council on draft resolution
