CONSENT CALENDAR

1. **Consideration and Approval of the Minutes of the February 3, 2026 Regular Meeting.**

The purpose of this item is to approve the minutes of the February 3, 2026 Regular Meeting.

Approved.

2. **Second Reading of Ordinance No. 010, 2026, Authorizing the City Manager to Transfer Ownership of up to 61 Shares of the Buckhorn Highline Ditch Company.**

This Ordinance, unanimously adopted on First Reading on February 3, 2025, seeks approval to transfer ownership of up to 61 shares of the Natural Areas Department's shares of the Buckhorn Highline Ditch Company that the City does not need and will not use. The City's continued ownership of these 61 shares would impose significant costs on the Natural Areas Department due to required infrastructure improvements for the ditch and diversion structure, with little to no benefit to the City or natural areas. The Natural Areas Department will retain 33 shares of the Ditch Company for potential irrigation of a restoration project on the Bobcat Ridge Natural Area. The water right associated with the Buckhorn Highline Ditch, being a junior right, is not suitable for in-stream flows nor conversion to municipal use. The shares would be transferred by sale, or by returning the shares to the Ditch Company.

Adopted on Second Reading.

3. **First Reading of Ordinance No. 011, 2026, Appropriating Prior Year Reserves and Unanticipated Revenue Received Through City Give.**

The purpose of this item is to request an appropriation of \$75,507.38 in philanthropic revenue received through City Give. These miscellaneous gifts to various City departments support a variety of programs and services and are aligned with both the City's strategic priorities and the respective donors' designation.

In 2019, City Give, a formalized enterprise-wide initiative was launched to create a transparent, non-partisan governance structure for the acceptance and appropriations of charitable gifts.

Adopted on First Reading.

4. **First Reading of Ordinance No. 012, 2026, Appropriating Prior Year Reserves for River Restoration and Visitor Use Improvements at Arapaho Bend Natural Area and Related Art in Public Places Program.**

The purpose of this item is to request an appropriation of \$4,900,000 from the Natural Areas Fund into the Natural Areas' 2026 budget for a river restoration and visitor use improvement project at Arapaho Bend Natural Area and transferring \$46,000 to the Cultural Services and Facilities funds to meet the City's 1% dedicated funding requirement for Art in Public Places.

Arapaho Bend Natural Area (ABN) is a biologically rich and culturally significant 534-acre parcel in need of ecological restoration due to past infrastructure development, gravel mining, and degradation along the Cache la Poudre River (Poudre River). Visitation at this site has increased by 400% over the past decade, impacting natural resources and creating unsafe conditions. A river restoration project and visitor use project at ABN were identified as top priorities for implementation through Natural Areas' planning processes. Design and permitting for the projects began in 2025. The restoration's focus is on improving river health metrics and the visitor use improvements center on safety, improved access, and resource protection.

The City of Fort Collins Natural Areas Department (FCNAD) has accrued funds for both projects over several years and has the full funding amount needed to complete the projects. Both projects are on track to begin construction in August 2026. This timeline is a year ahead of the anticipated schedule when the 2025/2026 budget was created and approved, requiring funds to be appropriated into Natural Areas' 2026 budget. Completing the projects a year earlier will save the City further costs from inflation.

Adopted on First Reading.

5. **First Reading of Ordinance No. 013, 2026, Adopting the 2026 Amended City Classified Employee Pay Plan to Update Classified Positions as Provided in the Collective Bargaining Agreement with the Fraternal Order of Police.**

The purpose of this item is to recommend changes to the 2026 City Classified Employee Pay Plan based on an annual market analysis conducted as agreed upon through the 2025-2027 Collective Bargaining Agreement (the "Agreement") with the Northern Colorado Lodge #3 of the Fraternal Order of Police ("FOP"). The Agreement was approved by Council by Resolution 2024-141 on December 3, 2024. The Agreement specifies a salary data collection method and evaluation process that includes market data as of early January. This data has been collected and analyzed, resulting in the revised 2026 City Classified Employee Pay Plan.

Adopted on First Reading.

6. **Resolution 2026-021 Authorizing Negotiation of a Potential Disposition of City-Owned Real Property Located at 314 N. Howes Street in Support of Affordable Housing Development by Housing Catalyst.**

The purpose for this item is to authorize the negotiation of City-owned real property. On October 21, 2025, Councilmembers held an executive session to discuss City owned real estate assets. Following that discussion, staff identified a site for potential partnership with Housing Catalyst to produce a plan for redevelopment of the property, focusing on affordable housing. The property located at 314 N. Howes Street is currently owned by the City and supports EcoThrift, which is a private tenant, and has been evaluated for possible disposition to Housing Catalyst. The current tenant's lease expires on September 30, 2026. To support the financial feasibility of the project, Housing Catalyst has requested that the disposition occur without fair market value consideration. City staff propose to negotiate a conditional Purchase and Sale Agreement (PSA) with Housing Catalyst for the potential disposition of 314 N. Howes Street at nominal consideration in support of affordable housing. The proposed resolution would authorize staff to negotiate such an agreement, subject to public-purpose protections, and return to Council for final approval of any conveyance by ordinance once the terms are finalized. The rationale for this proposal is outlined below. Final approval of any sale or conveyance of the Property will require adoption of an ordinance by Council following competition of negotiations.

Adopted.

7. **Resolution 2026-022 Approving a Grant Application to the Colorado Department of Local Affairs for Funding in Support of the Septage Receiving Construction Project at the Drake Water Reclamation Facility.**

The purpose of this item is to obtain support for the City to apply for funding in support of the Septage Receiving Construction Project at the City's Drake Water Reclamation Facility under Colorado's Department of Local Affairs (DOLA) Energy and Mineral Impact Assistance (EIAF) program.

Adopted.

8. Resolution 2026-023 Ratifying the Appointment of Jennifer Birach to the Poudre River Public Library District Board of Trustees.

The purpose of this item is to fill an existing vacancy on the Poudre River Public Library District Board of Trustees.

Adopted.

9. First Reading of Ordinance No. 014, 2026, Amending the Code of the City of Fort Collins to Revise Requirements Relating to Mobile Home Parks.

The purpose of this item is to present City Code updates related to mobile home park licensing, proper operation, and enhanced oversight of issues identified by mobile home park residents, property managers, and owners. This item also addresses analysis of unmet needs in the State of Colorado Mobile Home Park Oversight Program.

Staff recommends including the following Code changes:

- Requiring mobile home park (“MHP”) owners to provide potable water and access to sanitary services for water outages lasting more than 12 hours;
- Requiring MHP owners to maintain trees and remove hazards caused by trees and branches that threaten life or property; aligning minimum standards with existing standards for other property types;
- Requiring MHP owners to maintain streets and mitigate hazards;
- Requiring MHP owners to repair water infrastructure leaks, breaks, or malfunctions in the City Water Utility service area; aligning minimum standards with existing standards for other property types;
- Authorizing abatement of hazardous trees, water infrastructure leaks or repairs, and pavement conditions by the City with cost recovery from MHP owner;
- Prohibiting MHP owners from charging costs of hazard mitigation, abatement by the City, penalties, and other costs associated with licensing or enhanced enforcement program to residents;

- Aligning penalty structure for MHP licensing and oversight with existing penalties for non-compliance of hazardous conditions and administrative requirements;
- Removing requirement for proactive rental inspections for mobile homes to align with the Rental Housing complaint-based inspection policy; and
- Creating a MHP licensing program, requirements, and fees with annual renewal that requires:
 - Disclosure of:
 - Infrastructure assessment results, maintenance schedules, and repairs
 - Water outage and boil notice frequency and duration
 - Water rebilling methodology
 - Average lot rent, lot rent increase amount and frequency, line-item description of all rent increases
 - Speed limits and enforcement standards
 - Current community rules
 - MHP property manager certification and continuing education
 - Compliance with minimum property maintenance and hazard mitigation standards set forth in Code

Adopted on First Reading.
