

Work Session Memorandum

Date: July 23, 2026
To: Mayor and City Councilmembers
Through: Kelly DiMartino, City Manager ^{DS}
Dean Klingner, Deputy City Manager ^{Initial}
From: Ginny Sawyer, Assistant to the City Manager ^{Initial}
Subject: July 14, 2026 Work Session Summary: Council Priorities

The purpose of this memo is to document the summary of the Council Priorities discussion during the July 14, 2026 Work Session. All Councilmembers were present.

Discussion Summary

- Overall, Councilmembers expressed support for the format and level of information included in the update.
- Discussion included future use of identified success metrics when providing updates.
 - Staff will be reviewing the metrics and will work to start incorporating these in the next update scheduled for October.
- There was a request to include climate goals and environmental gains that are happening within the work of the priorities.
- There was also a question/discussion on what differentiates a priority from work that would have occurred anyway.
 - Staff will work on better delineating when and how priority work is different and when the work is on-going.
- Within Vision Zero, there was a question regarding e-moto bikes and when Council might hear more on this topic.
 - Staff will calendar this topic as soon as appropriate staff, information, and options have been identified.
